

EVENT FORMAT INFORMATION

EMIRATES GOLF CLUB | MAJLIS & FALDO COURSES | MARCH 21 & 22, 2018

IADC SAPC GOLF TOURNAMENT 2018

Texas Scramble Format

Each team will comprise of 4 players played over 36 holes. All players tee off after which the best ball is chosen. All players then play from within one club length but no nearer to the hole. If the chosen ball comes to rest on the fairway then that ball may be placed on the fairway. If the chosen ball comes to rest in the rough then when playing from within one club length all team shots must be dropped and played from the rough as well. First ball in hole counts. Don't putt out if other team members have not putted.

Note there is a new rule this year that every player can hit every shot.

Tee Shots

All players tee shots must be used at least **three (3)** times during the round. Please indicate this by placing the players initials on the score card next to each hole played. Please note, male players are required to use the IADC tee marker and female player are required to play from the red tee marker.

Mulligan

Mulligans are not allowed this year since all players will hit every shot until holed out.

Wait Listed Players

Wait Listed players will be on standby in both sessions to fill in the available slots. Any team member not registered within 30 minutes of starting time will be replaced.

Score Cards

The lowest handicap golfer on each team is responsible to keep up speed of play for the team, is required to keep the score card, sign it and turn it in to the Club Golf Score Box immediately after play each day.

Handicaps (USGA)

Please use your handicap index not your slope adjusted course handicap.

Handicap Allowance (10% of Team)

The Team handicap allowance is calculated by taking 10% of the total playing handicaps using whole numbers of the team members and include all decimal points to arrive at the team handicap (i.e. if team players handicaps total 72 then team handicap is 7.20).

Incomplete Teams

In the event of an incomplete team the next highest handicap player will play 2 shots every time with the consecutive shot rule still applying. If the highest handicap golfer is missing, the next highest handicap will hit two shots and 2 putts (for every putt) on every hole. The handicap of the team member who is used twice should be included twice in the 10% allowance.

Prizes

- Best Gross & Best Net
- 3 Divisions (A, B & C)
- Prizes will be given to 1st, 2nd & 3rd place team members of each Division.
- Individual hole prizes as marked on course (AM & PM prizes for both days).

To be eligible for an individual hole prize the team must use this shot.
