CHAPTER MEETING

WORKGROUP UPDATES

Gareth Burrows – Workgroup Coordinator
coordinator.wg@sapc-iadc.org

2nd September 2021

IADC
SOUTHERN ARABIAN
PENINSULA CHAPTER

HSE Workgroup

HSE Working Group held a meeting on the 25th August to review progress to date.

Further meetings to be held, with dates TBC, to develop the following further:

- Hand Safe story board completed
- Quotes being received from media developers
- Once the media provider is confirmed, approval needed from IADC
- Media provider to also develop a Hands Safe Poster
- Future work- COVID- 19 controls (TBC)

Development is now moving forward as the storyboard for media quotes is completed, volunteers are encouraged for the group.

Supply Chain Update

Meetings are ongoing 'Monthly' via MS Teams.

Meet the Buyer Event – on hold given COVID-19

What's App Group setup

Highlights from discussions;

- Freight Costs/Availability still impacting Supply Chains (cost and time impact).
- Qatar Opened up making movement easier for Freight/People.
- Oman Government introduce 'SME use for purchases below 30k USD'.

Charity Committee Update

Our social event at Top Golf in April was a great success so we are hosting another one on Wednesday 6th October 1900-2100:

- 600 AED per person
- Surplus funds will be used to support the Chapter's charity work.
- Includes 2 hours of Top Golf, finger food, 2 hours unlimited beverage pack.

The funds raised last time were used to drill water wells in the following countries:

Egypt	Kenya	Ghana
Nepal	Tajikistan	Guinea Conakry

Your support and contributions have enabled us to “Make a difference” and we look forward to continuing this good work.

Steve Taylor – Charity Workgroup
charity@sapc-iadc.org

HR Workgroup

- A meeting was held on 24th June, where:
 - Group unanimously proposed **Attracting Talent, codenamed as “Project Phoenix”** for the next project, since it is a collective issue.
 - 4 workstreams were identified namely:
 - Bridging Gaps - Training & Competency
 - Policy Squad – Policies
 - Team Growth – Career paths
 - Visionaries - Branding
- Meeting invites are being extended to areas not part of Southern Chapter.
- Contact is being made with other regional HR, and related, Work Groups
- Funding has been approved by the IADC SAPC for Diversitas to conduct a workshop called “Introduction to Diversity and Inclusion”.

A flyer with further details and a form to respond if you are interested to attend will be sent out.

Contracts Sub-committee Workgroup

- **Meetings held:** 23rd and 25th of August 2021
- finalization of the Principles of Contractual Risk Allocation
- Contracts Committee's WG will request a budget to hire a graphic designer to complete the document with schematic and illustrations on recommendations regarding risk allocation
- Finalizing the Principles, which will soon be put to the chapter committee for review
- Based upon successful review and finalisation, the Principles of Contractual Risk allocation is aimed to be submitted for endorsement by IADC SAPC on 1st October 2021. With further rollout scheduled thereafter.
- If and once approved, this will be made available to the IADC SAPC chapter members.
- IADC SAPC chapter committee will then discuss the potential to submit this to the Global IADC Contracts Committee, for consideration of broader distribution to IADC members.
- **Next meeting date:** September 2021

CHAPTER MEETING

IADC Regional Update

Hisham Zebian

Vice President – Eastern Hemisphere
IADC

2nd September 2021

IADC
SOUTHERN ARABIAN
PENINSULA CHAPTER

IADC Regional Update – HQ

IADC launches Subsea Competency Assessment Program:

- Partially funded and supported by **IOGP**'s Wells Experts Committee.
- IADC was chosen to by a group of operators to lead the initiative and administer the program.
- Assess & verify the knowledge and skills of subsea technicians and provides them with a clear pathway for credentialing.

IADC Regional Update – HQ

IADC launches Subsea Competency Assessment Program:

About the program:

- Develop a job-specific knowledge and skill competency profile applicable worldwide for credentialing Subsea Technicians.
- Provide guidelines and criteria for achieving the credential to ensure consistency of individual assessment criteria.
- Provide a formal system of industry credentialing with methodology for measuring individual proficiency to a prescribed minimum standard.

IADC Regional Update – HQ

IADC launches Subsea Competency Assessment Program:

-Level 1 is recommended for:

- Persons in a position of Assistant Subsea Technician or persons seeking to move into an Assistant Subsea Technician position.
- A special classification of people who have little experience but intend to work with subsea BOP equipment.

IADC Regional Update – HQ

IADC launches Subsea Competency Assessment Program:

-Level 2 is recommended for:

- Persons in a position of Senior Subsea Technician or persons seeking to move into a Senior Subsea Technician position.
- Personnel at the Senior Subsea Engineer (SSE) level of experience and responsibility.
- Electronic Technician's (ET) who regularly work on or supervise ET work on the BOP Equipment including subsea controls and SEMs (Subsea Electronic Module), surface control panels including the CCU (Central Control Unit) or MCS (Master Control Station) and the UPS (Uninterruptible Power Supply) for example.
- General subsea crew who regularly work on or supervise work on drill through equipment, subsea and surface hydraulic equipment and choke manifold and tensioners.

IADC Regional Update – Conferences

IADC Middle East Drilling Conference & Exhibition:

The banner features a background of intricate, golden-brown geometric patterns. The text is prominently displayed in white and blue. The main title 'Drilling Middle East' is in a large, bold, white font with a blue shadow. Below it, 'CONFERENCE & EXHIBITION' is written in a smaller, white, all-caps font. The year '2021' is positioned to the right of the main title. The IADC logo is visible in the top left and bottom right corners of the banner. The bottom right corner of the banner has a red background with white text providing the dates and location.
