COMPETITION RULES

An official EGF handicap is required for all participating players.

Tees:
Gents – Blue Tees Ladies – Red Tees

Handicaps
90% of the Difference of INDEX handicaps

Rules
The lowest handicap player goes down to zero (or remains at plus if applicable). The other 3 players receive 90% of the difference as per the stroke indexes.

If both players from a team fail to turn up for their fixture, their opposition will automatically win the match. Matches cannot be rearranged for another date.

Concessions
You may concede your opponent's next stroke, a hole, or the match, but a concession is only made when it is clearly communicated.

A concession is final - you cannot withdraw it once made, and your opponent cannot decline the concession.

General Rules
Points Scoring:
Win = 2 points
Draw = 1 point
Loss = 0 points

Specifically for the Semi-Final and Final match play games: In the event of a match being all square after 18 holes, extra holes will be played under the same handicap allowances until a hole is won (sudden death).

It is expected that all matches will commence on the 1st hole where possible; however, if necessary, golfers may have to start on another hole.

Arranging Match Dates

The responsibility for arranging each match sits with the host team. However, there is absolutely no obligation for the host to cover the opposition's green fees.

We encourage both teams to have an open conversation and check whether either side has access to free or discounted green fees, so you can keep costs sensible for everyone involved.

When the time and date have been agreed, it may only be altered with the mutual agreement of both sides.

The closing date for each round will be stated on the draw sheet. Both teams are expected to make reasonable efforts to arrange their match before the deadline. If no score is posted by the closing date and neither team can demonstrate that they made genuine attempts to schedule the round, the result will be decided by a coin toss conducted by the organising committee. However, if the host team has made clear efforts to organise the match and the opposition has not cooperated, the host will not be penalised.
